Excepting the Executive Engineer's and Subdivisional Officer's statement petition, there seems to be no other document acknowledging his liability under the deed and even on the date of this petition the loan appears to have been barred by time. Assuming that there is no other material acknowledgment available evidence of such, on the part of the debtor under these circumstances and also as a matter of course, the petitioner's prayer may be accepted. Sir,

With reference to the official memorandum No.4223 dated 27-3-1908 forwarding for enquiry and report the petition of V.RaghunathaRao son of Ramachandra Rao of Vastara,Chickmagalur Taluk,praying that the debt of Rs.300/- due by him to the temple of Sri KodandaRamachandraswami at Hiremagalur may be ordered to be repaid in 10 years at Rs.30 without interest,as the amount already paid by him towards the interest is more than the principal,I have the honor to state that it appears,a sum of Rs.300/- was borrowed by the said Raghunatha Rao from one Khandya Shama Rao,shanbouge,about 16 years before the date of his petition to Government. Shama Rao having subsequently died his grandmother Akkannamma transferred the deed to the temple of KodandaRamachanradevaru of Hiremagalur. Since then upto July 1906 interest at the rate of Rs.27 per year is alleged to have been paid to the temple every year,thus making a payment of nearly R.400 towards the interest.

The petitioner has paid Rs.30 for the year 1909-10 and the instalment for the following year has been demanded. He is further willin to execute a deed for the amount and hypothecate his property. In these circumstances I recommend that the concession prayed for may be granted and a proper deed obtained.

The file of vernacular record bearing on the subject is herewith submitted for reference.
